**Petition for Waiver of
Invoice Deadline Extension Request for Funding Year 2015
RE: FCC Form 471 1018935**

I. INTRODUCTION AND SUMMARY

The Klamath-Trinity Joint Unified School District (“KTJUSD”) serves low income pre-kindergarten through Grade 12 children in Humboldt County, California. Since E-rate’s inception, KTJUSD has been a successful participant of the program. Situated in rural northern California, KTJUSD is very dependent on receiving E-rate funding to ensure adequate access to the Internet for its sites.

The KTJUSD received a Funding Commitment Decision Letter (FCDL) for its Fund Year (FY) 2015 FCC Form 471 on October 27, 2016. The Invoice Deadline Extension request was submitted on November 4, 2016 as this appeared to be the only option to secure the time needed to obtain the reimbursements. The KTJUSD was facing several obstacles to meeting the deadline, including the issue of the FCC Form 498 that was still pending approval. The

FCC Form 486 was submitted on November 10, 2016. After waiting for any communication from the Schools and Libraries Division (SLD) on what the new invoice deadline was, we finally reached out to the Client Service Bureau (CSB) for a status. It took many phone calls and a lot of time, but CSB informed us months later that the Last Day to Invoice is automatically reset when the FCC Form 486 is submitted, thus invalidating the Invoice Deadline Extension request. To make matters worse, the invalidated Invoice Deadline Extension Request was considered to be the one-time request, resulting in KTJUSD never receiving the benefit of the additional 120 days that would be expected from an approved extension request.

II. Request

The KTJUSD respectfully petitions the Commission to approve a waiver of the Funding Year 2015 Invoice Deadline Extension Request on behalf of the KTJUSD to allow the Invoice Deadline Extension of their E-Rate Funding Year 2015 FCC Form 471 #1018935, FRN 2799916 in order to receive the funding it relies on for its student population.
